MIU has been accepted to Magna Charta Universitatum

04.09.2015 г. The Observatory Council has considered the application of Minsk Innovation University and informed that our university had been accepted to become a signatory of the Magna Charta Universitatum (www.magna-charta.org).

By signing the Magna Charta Universitatum universities confirm their belonging to the academic community, supporting the main values, rights and obligations of a university as a key institution of the society.

Signing the Magna Charta Universitatum by Minsk Innovation University will let us celebrate the most important values of university traditions and promote the development of close ties with the universities of Europe.
