MIU SMART Cafe starts another series of trainings

MIU SMART Cafe starts another series of trainings

Dear students and graduates!

We are pleased to inform you that we **start to accept applications for the Fourth series of Free SMART-trainings on entrepreneurship!**

Training sessions will be useful for you if:

- you already have ideas or creativity, but lack the skills and resources to implement them
- are you interested in becoming an entrepreneur
- you're struggling to find a solid idea to put into business
- you need a creative and supportive team

During SMART training, you can learn proven tools for generating sound ideas for startups and attracting first customers.

The training is specially designed for those who have no experience in creating or managing a business. You will be told about the details that are necessary for a novice leader to successfully lead the company.

All you need is to [register](#) for SMART Entrepreneurship training.

The training is held within the framework of the Erasmus+ project SMART (Fostering university-enterprise cooperation and entrepreneurship of students via SMART Caffes).

For more information about the project, please visit <https://www.smartcaffe.eu/>.

Dates of the third training series: **12.05.2021 - 20.05.2021**

Language: Russian
